

The Accepted List

Welcome to Impact's collection program and thank you for choosing to recycle with us.

Our Accepted List which follows, is a comprehensive listing of all the toner cartridges, inkjet cartridges, fuser units, maintenance kits and mobile phones that we currently accept for free recycling.

In order to qualify for a free collection you must have a minimum of twenty cartridges, fusers, maintenance kits or mobile phones from our Accepted List. Please note that most of the cartridges listed are original cartridges not remanufactured or compatibles.

That's it!

To book your free collection please call us on **01634 255400**, email us at **collections@impactrecycling.co.uk** or visit **www.impactrecycling.co.uk**

Please ensure your cartridges are packaged carefully for transit as a damaged cartridge is no longer suitable for reuse.

We also buy new, unused cartridges that may be surplus to your requirements, please ask for a quote.

Now here's the small print, sorry!

- Free collection applies to the UK mainland only.
- Our list is for original OEM cartridges, not third party compatibles or previously recycled cartridges unless stated, please contact us if you are unsure.
- Any items returned that are not on our list will be subject to a waste charge of £0.50 per unit.
- Any of the following cartridges will be treated as waste and waste charges will apply:
 - Compatible or new build cartridges including Lexmark and Xerox compatible HP cartridges.
 - Pre-tested cartridges with failed print heads, developer rollers etc.
 - Physically damaged cartridges
- Mobile phones are subject to age, quality and inspection as to whether they count towards the minimum twenty items required.
